EMPOWERING INDEPENDENCE THROUGH INNOVATIVE SOLUTIONS

Peggs Handy Lines stand as an ingenious laundry solution, tailor-made for the unique needs of those facing **mobility challenges** or living with **disabilities**.

These **lightweight**, durable, indoor/outdoor, **portable clotheslines** are an invaluable tool to **enhance** the quality of life for individuals, enabling them to **regain independence and control** over their daily routines.

NDIS REGISTERED PROVIDER: STREAMLINED PLAN INTEGRATION

As an esteemed **NDIS Registered Provider**, Peggs offers a **seamless integration** of Handy Lines into your clients' NDIS plans. Our commitment to improving daily living skills and building capacity aligns perfectly with the NDIS ethos.

Ordering Handy Lines for NDIS participants is **straightforward** – we offer direct processing through our website to expedite the provision of these essential tools. For plan-managed individuals, we offer the **convenience** of direct invoicing to the approved funding authority; and for NDIA-managed participants, we seamlessly manage payments through the NDIA portal on your behalf, ensuring a hassle-free experience.

We believe that the **power to choose** should rest with the individuals who matter most – the NDIS participants themselves. All Peggs Handy Lines and accessories can be conveniently ordered under either the Assistive Technology (Capital Supports budget) or Consumables (Core Supports budget) categories, and are classified as low-cost items, eliminating the requirement for approval from a medical professional.

We understand that every recommendation you make is grounded in what's **reasonable and necessary** for your **clients' well-being**. Peggs shares this principle, ensuring that our Handy Lines align with the standards of effectiveness and practicality that you uphold.

PORTABLE, USER-FRIENDLY, AND ASSEMBLY-FREE

Peggs Handy Lines offer a revolutionary approach to laundry care, supporting the elderly and those living with disabilities by introducing a lower line-level design compared to conventional options.

These innovative lines eliminate the burden of carrying heavy, wet laundry over long distances. Furthermore, their portability allows for strategic placement, mitigating the challenges posed by fixed outdoor clotheslines. This thoughtfully engineered solution **promotes fine motor skills**, reduces the risk of falls, and contributes to **injury rehabilitation**.

To make things simpler, our Handy Lines are delivered directly to your (or your clients) doorstep, require no assembly or line tensioning and are **ready for immediate use** straight out of the box. Our goal is to ensure a hassle-free experience for you and your clients.

A BEACON OF INDEPENDENCE

As Rehabilitation Specialists and Independent Living Practitioners, your pursuit of enhancing your clients' quality of life aligns perfectly with our vision at Peggs. Our Handy Lines represent more than just laundry solutions; they stand as beacons of independence, fortitude, and empowerment.

Together, we can transform daily routines into remarkable achievements, making a lasting impact on the lives of those entrusted to our care.

GEAT2GO SUPPLIER PARTNERSHIP

Australian geat2GO is an initiative under the Commonwealth Home Support Programme (CHSP), aimed at assisting older individuals to remain comfortably in their homes and communities for an extended period, fostering independence and well-being.

Peggs is your trusted geat2GO supplier, and can offer more choice and more opportunities to provide assistive technology equipment to empower the lives of elderly Australians and those living with disability or mobility challenges.

ALLIANZ GLOBAL ASSISTANCE: A NATIONAL PARTNER FOR VETERANS

Peggs Handy Lines are nationally recognised by the Department of Veterans Affairs' (DVA) Rehabilitation Appliances Program (RAP).

Specifically registered under Item Number AH17 of the RAP Schedule, these lines are classified as Adaptive Household Appliances. They play a pivotal role in supporting clients in performing everyday household tasks and enable them to remain in the comfort of their own homes for an extended duration.

Rehabilitation Specialists and Independent Living Practitioners frequently prescribe Peggs Handy Lines and their accessories as integral components of health treatment plans.

These solutions reduce the impact of clients' disabilities or mobility challenges, **enhance their quality of life**, and empower them to live **safely and independently**.

HOME CARE PACKAGE INCLUSIVITY

For individuals in receipt of a full ACAT Assessment and Level 1 – 4 funding, we have good news. Peggs Handy Lines and their accessories are eligible for purchase as part of the Home Care Package.

This inclusion ensures that a wider range of clients can access the benefits of Peggs' innovative solutions, further enriching their daily lives.

10 YEAR WARRANTY

Our Handy Lines come with an impressive 10-year warranty, a testament to the robust engineering and craftsmanship behind every product.

We understand the importance of durability, and we want our clients to enjoy their Handy Lines for years to come. Additionally, the Poly Cord and accessories are covered by a reassuring 2-year warranty, ensuring that every component of our products is designed to endure.

A PLEDGE TO QUALITY

At Peggs, we don't just stand by our products; we stand by our quality. We believe in delivering solutions that not only meet but **exceed expectations**.

When you choose Peggs Handy Lines, you're choosing a legacy of excellence that will transform your clients' lives.

We began our journey in 1995 under the name Mrs. Peggs Handy Line, and we have since evolved into the renowned Peggs brand.

Our inception marked the beginning of a revolutionary era in laundry solutions, as we introduced a range of innovative portable indoor/outdoor clotheslines, driven by our commitment to helping individuals and families.

Proudly Australian-owned and operated, we remain steadfast in our dedication to enhancing the quality of life and promoting independence among the aging population and individuals living with disabilities. Today, as Peggs, our legacy continues to thrive, championing the well-being and empowerment of our valued clients.
